What is a StoryWalk®?

A StoryWalk® displays the pages of a picture book in weatherproof stations along a short hiking trail for children and their families to enjoy together. Each station features suggested questions or simple activities to enrich the story and hike.

Colchester's StoryWalk® features books with nature, wildlife, and gardening themes that appeal to young children. New books are posted every 4 to 6 weeks as weather permits. Copies of each story can be checked out at the Cragin Memorial Library.

StoryWalk® History

The first StoryWalk® was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library. StoryWalk® is a registered service mark owned by Ann Ferguson.

Colchester's StoryWalk® began with a temporary trail in 2016.

Eagle Scout Project

Colchester's permanent StoryWalk® trail was the Eagle Scout project of Jack Boyden and members of Boy Scout troop 72 in 2017. Jack researched construction and purchase of the trail stations, raised the funds for the cost of 20 durable stations, and organized his troop to install them.

The project received broad support from the community, including station sponsorship gifts from:
