Sirs,

1. Monthly Statistics (January 2011) – See attached
2. Matters of Serious Discipline – N/A
3. New Hires - Both Officers (Gross and Schiel) are performing well in their FTO programs to date. This is being supervised by Sgt. Suchecki. They are both returning to the academy on 3/4/11 to complete their driver training. (Incomplete due to weather conditions prior to graduation)
4. Inventory - Sgt. Suchecki has started to go through the storage facilities for the office and is conducting an inventory of needed and unneeded items. A list of items we will be able to remove from inventory should be available next month.
5. Uniforms: Sgt. Suchecki and Officer Brosnan are preparing to present the Commission with a presentation of a new uniform design and outfitting cost at next month's meeting.
6. Overtime: Minimal issues have been observed at this point. There have been shifts offered on an overtime basis that have gone unfilled.
7. Troop - There is a new commander at Troop K as of 1200 HRS 2/28/11. Lt Edward Gould is now in command with Lt Panacionne being transferred to the Office of Administrative Services. No impact on Town coverage or operations.

Respectfully Submitted,
