PREAMBLE

This Agreement is made and entered into effective the upon ratification by and between the Town of Colchester (hereinafter referred to as the "Town") and the Municipal Employees Union "Independent," Local 506, SEIU, AFL-CIO, CLC (hereinafter referred to as the "Union").

ARTICLE 1

Recognition

Section One. The Town of Colchester herein recognizes the Municipal Employees Union Independent, Inc., as the exclusive bargaining representative of the Highway, Parks and Recreation and Water Department employees, whose job titles and/or job classifications were placed within the Road Crew Unit by the Connecticut State Board of Labor under #ME-9239, ME-16398, ME-19958 or by agreement of the parties. This agreement will cover the highway crew, fleet maintenance, parks and recreation department, transfer station and water department employees.

Section Two. Annually, on January 1st, the Town shall provide a copy of the job descriptions of any new job classifications created within the prior twelve (12) months.

Section Three. Whenever the word "Town" is used in the agreement, it shall mean the Town of Colchester. Likewise, when the word "Union" is used it shall mean the Municipal Employees Union Independent. When the word "employee" is used it shall mean an employee in the bargaining unit.

ARTICLE 2

Non Discrimination and Affirmative Action

Section One. The parties agree that neither shall discriminate against any employee on the basis of race, color, religious creed, sex, age, national origin, ancestry, marital status, physical or mental disability which is unrelated to the ability of the employee to perform a particular job, sexual orientation, military service/veteran's status or lawful political activity.

Section Two. The Town shall not discriminate against an employee on the basis of membership or non-membership or lawful activity on behalf of the bargaining unit.

Section Three. No employee shall be coerced or intimidated or suffer any reprisal, either directly or indirectly, as a result of the exercise of his/her rights under this agreement.

ARTICLE 3

Union Rights

Section One. The Town shall deal exclusively with the Union-designated stewards or staff representatives in the processing of grievances or any other aspect of contract administration.

Section Two. During the terms of this contract or extension thereof, all employees in the Collective Bargaining Unit shall, from the effective date of the contract or within seven (7) days from the date of their employment by the Town, as a condition of employment, either become or remain members of the Union in good standing or, in lieu of Union membership, pay to the Union a service fee. The amount of service fees shall not exceed the minimum applicable dues paid to the Union.

Section Three. The Town agrees to deduct from the pay of the bargaining unit members such membership dues, initiation fees, service fees, or reinstatement of service fees as may be fixed by the Union. Such deductions shall begin immediately upon the date of their employment with the Town and continue for the duration of the Agreement or any extension thereof.

Section Four. The Union shall supply to the Town written notice at least thirty (30) days prior to the effective date of any change in rates of fees and dues. In addition, the Union shall furnish the Town with a statement signed by the employee authorizing the Town to make dues deduction(s). Service fees shall be deducted automatically by the Town.

Section Five. The deduction of Union fees and dues or service fees for any month shall be made on a bi-weekly basis during the applicable month and shall be remitted to the Financial Officer of the Union. The monthly dues and/or service fee remittances to the Union will be accompanied by the list of names of employees from whose wages dues deductions have been made.

Section Six. No dues or fees will be deducted from an employee who is on leave of absence and who has exhausted accumulated sick leave or while collecting Workers' Compensation.

Section Seven. The Town agrees to provide space on a bulletin board in each building under its supervision in which a member of the bargaining unit works for the exclusive use of the Union. The bulletin board space shall be for Union information only.

Section Eight. Access to premises during work hours. Union Staff Representatives and a steward shall be permitted to visit any employee of the bargaining unit at their work site, after first receiving permission from the employee's immediate supervisor, for the purpose of discussing, processing or investigating filed grievances, or fulfilling the Union's role as a collective bargaining agent. Where the steward visits an employee of the bargaining unit, the steward shall receive permission from the employee's supervisor.

Any steward who is released from his/her work assignment to fulfill his/her duties as a representative of the Union shall lose no pay or benefits.

Section Nine. The Town shall provide each member of the bargaining unit a copy of this contract within 10 days of its signing. Likewise the Town agrees to provide a copy of the contract and the name of the Union Steward or Staff Representative to all new bargaining unit members within one week of their date of initial hire.

Section Ten. If not enough dues are available in one paycheck, the dues will be deducted from the next check.

ARTICLE 4

Prior Rights and Benefits

Section One. This Collective Bargaining Agreement contains the complete agreement of the parties with regard to all issues related to employees' wages, hours and other terms and conditions of employment.

ARTICLE 5

Prohibition of Strikes

Section One. During the term of this Agreement, the Union shall not authorize, cause, engage in, sanction or assist in any work stoppage, strike or slow-down of operations.

Section Two. The Town reserves the right to discharge or otherwise discipline an employee taking part in any violation of this provision of the Agreement.

ARTICLE 6

Bargaining Unit Work

Section One. With the exception of Water Department employees, subcontractors will not be used to reduce overtime or eliminate the standard work force or the hours that bargaining unit members work.

Section Two. This Article is not meant to disallow the Town from entering into agreements with tree services, brush cutting services, back hoe services, snow removal services, tire replacement services, periodic waxing of floors, washing of windows and larger painting projects at Town Hall or other Town facilities or other services which they have subcontracted for before including, but not limited to, mowing or landscaping services. Except for the above listed services, Bargaining Unit work shall be done by qualified Bargaining Unit employees prior to being offered to subcontractors or other individuals provided that adequate manpower and proper equipment are available. It is not the Town's intent to dispose of specific equipment solely for purposes of this provision.

Section Three. Temporary or Community Service people will only work during normal work hours. They will not be offered work outside of the above hours unless all qualified bargaining unit employees are either working or have been asked to work. This applies to work under Article 33 as well.

Section Four. Except in the case of emergencies, all normal repairs and servicing on Town vehicles shall be performed by Town mechanics. Before mechanical work is sent out the Supervisor will meet with the mechanic to discuss the need for subcontracting. Bargaining Unit work for mechanics includes all Town-owned vehicles except Board of Education vehicles and excludes warranty work.

ARTICLE 7

Seniority

Section One. Seniority shall be defined as status for specific purposes based on an employee's full-time service with the Town, including all authorized paid or unpaid leave providing the employee returns to work immediately at the conclusion of such leave.

The Town shall prepare a list of all employees covered by this Agreement showing their seniority by length of service and deliver the same to the Union office by July 1st of each year.

No employee shall attain seniority rights under this Agreement until he/she has been continuously on the payroll of the Town for a period of six months. Upon completion of this period, the name of the new employee shall be added to the seniority list with his/her seniority commencing from the date of employment.

Section Two. Until expiration of the first six months of employment (any lost time will extend the probationary period), an employee may be terminated by the Town in its sole discretion for any reason whatsoever and neither the employee nor the Union, on his/her behalf, shall have recourse to the grievance or arbitration provisions of this Agreement. Probationary employees shall be evaluated after three months. An employee's probationary period may be extended for a period of time not to exceed an additional ninety (90) working days in the sole discretion of the Town.

The promotional working test period will be forty-five (45) working days (any lost time will extend the probationary period).

ARTICLE 8

Vacancies

Section One. Job vacancy is defined as an opening, after the exercising of recall rights, if any, created by death, retirement, resignation, dismissal or transfer, or the creation of a new position in the bargaining unit. All jobs within the bargaining unit including upgradings shall be posted.

Section Two. Prior to filling any vacant bargaining unit position, the employer shall first send notice of any such vacancy to the Union and the Union-designated stewards and shall concurrently post a notice of the vacancy on the bulletin boards it ordinarily uses to notify bargaining unit employees. Such notice shall be posted for not less than five (5) calendar days, and the position shall not be filled prior to the expiration of the posting period but nothing will preclude the Town from concurrently posting or advertising outside of the bargaining unit. In no situation will outside applicants be interviewed prior to interviewing bargaining unit applicants. The Town shall have the right to select the best qualified candidate, as the Town deems appropriate based on the relative skill, experience and/or ability of the applicants, irrespective of their status as an internal or external candidate.

Section Three. If an employee is selected for the vacant position, he/she will begin in the new position within the next three (3) week period.

Section Four. An employee who is promoted shall be placed at the lowest step in the higher class or grade which produces an increase of at least one pay increment, i.e. at least an increment of one step.

Section Five. In the event the best qualified candidate is an outside candidate with prior experience and ability, the Supervisor may hire from the outside at a salary step commensurate with his/her experience and ability, but such salary shall not be higher than step two on the salary schedule.

ARTICLE 9

Transfers

Section One. A transfer is defined as a change in an employee's job location or job assignment from one department to another.

Section Two. Involuntary transfers shall not be made without first exhausting the voluntary transfer list. When it becomes necessary to involuntarily transfer an employee, the Town shall select on the basis of inverse seniority among qualified employees.

Section Three. Transfers will be effective on Sunday at 12:01 a.m. If there is an overlap in hours, overtime will be paid for hours which exceed 40 hours during the week.

ARTICLE 10

Hours of Work

Section One. The standard workweek for full-time employees in Parks and Recreation, Road Crew, and Fleet Maintenance will be from 7:00 a.m. to 3:30 p.m. Monday through Friday with one-half (1/2) hour unpaid lunch break; hours at the Transfer Station will be 7:30 a.m. to 3:30 p.m. Tuesday and Saturday with one-half (1/2) hour paid lunch break. Standard hours of work for Water Department employees shall be 7:00 a.m. to 3:30 p.m. Monday through Friday with one-half (1/2) hour unpaid lunch break. The unpaid lunch break shall be scheduled close to the middle of the shift consistent with the operating needs of the Town.

The parties agree that the Town will attempt to accommodate reasonable requests by the Union Steward to modify the work week for employees in all departments due to hot weather between Memorial Day and Labor Day. Such requests will not be unreasonably denied after consideration of the impact to the public and or associated costs. Notwithstanding the above, Transfer Station employees will be required to work the hours that the Transfer Station is open to the public as scheduled by the Town.

Section Two. All employees will receive two weeks written notice of any change in the established work week, excepting emergencies.

Section Three. (a) The Town agrees to notify the Union and negotiate over the impact of any schedule change. The Union agrees to conclude negotiations within two weeks. If this is not possible the Town may implement the schedule change.

(b) The Town agrees that all work schedule changes will be sent to the Union for its review prior to their implementation.

(c) When it becomes necessary to change an employee's shift or work assignment the Town shall select the least senior qualified employee.

(d) Change in workweek shall be made on the basis of reasonableness. No changes will be made for the purpose of avoiding overtime. The Town shall receive and discuss suggestions to modify the work week once established.

Section Four. Meal Period. The noon meal shall be one half hour. Employees required to work through lunch shall be paid for that time and shall be allowed to eat on the run during that afternoon with no loss of pay.

Section Five. Rest Periods. All employees will be allowed ten (10) minute rest periods scheduled near the middle of each half shift.

Section Six. Overtime. Employees who work more than forty (40) hours in any one week and/or more than eight hours in any one day, shall be compensated for overtime at the rate of time and one half. All paid leave will be considered as hours of work for purposes of determining payment of overtime for all employees. Overtime will be equalized amongst qualified employees. A record of accrued overtime shall be posted on a weekly basis. Accrued overtime hours will be zeroed-out at the end of each fiscal year. The Town will make a reasonable effort to distribute overtime from low to high amongst qualified employees.

With the exception of Water Department employees, any employee who works on a Sunday and works 40 hours in that week shall be compensated at double time when work is approved by the First Selectman. Water Department employees shall be compensated at double time for unscheduled work on a Sunday, that is, for work not normally scheduled. Unscheduled overtime will be preapproved by the supervisor. Payment of double time is for those employees who are not normally scheduled to work on a Sunday. Also, with the exception of Christmas Day and Thanksgiving Day, any employee who works on a holiday shall be compensated at the rate of time and one half plus his/her regular holiday pay. Any employee who works on Christmas Day or Thanksgiving Day shall be compensated at double time plus his/her regular holiday pay.

In the event an employee is called in to work prior to the start of his/her shift or after his/her shift ends, he/she will be paid for a minimum of two (2) hours work. In the event such work is contiguous to the normal shift starting time, the employee will be paid the overtime rate rounding up to the next whole hour for any fraction of the work completed as per the example that follows:

Example #1: An employee who normally works 7:00 a.m. to 3:30 p.m. and is called in to work at 6:00 a.m. and works to the end of his normal shift will be paid eight (8) hours at straight time and one (1) hour at time and one-half.

Example #2: An employee who normally works 7:00 a.m. to 3:30 p.m. and is called in to work at 4:00 a.m. and works until 6:30 a.m. then reports back to work at his normal shift starting time and works to the end of his normal shift will be paid eight (8) hours at straight time and two and one-half (2.5) hours at time and one-half.

Section Seven. Response to call-in. Employees are to arrive at their designated location within a reasonable amount of time, but in no event shall this time be more than one hour from the time of the call from the Town. They shall be paid from the initial call-in.

Section Eight. Employees will be given a 10 minute personal cleanup period at the end of his/her shift.

ARTICLE 11

Layoff & Recall

Section One. In the event of a reduction in the work force and subsequent recall to work, the provisions of this article shall be controlling.

Section Two. Prior to reducing the work force the Town shall layoff all temporary, federally funded employees and employees who have not completed their initial working test period first.

Section Three. When the Town determines that a reduction in the work force is necessary, the Town shall notify the Union and shall meet to discuss the possible alternative proposals (1) to avoid the layoff or (2) to mitigate the impact on the employee(s).

Section Four. When it becomes necessary for the Town to reduce the work force the Town shall give not less than thirty calendar (30) days written notice to the affected employees.

Section Five. The Town will layoff on the basis of seniority, with the least senior employee within a job classification being laid off first. A laid off employee within a job classification may bump the least senior employee in another job classification provided that the more senior laid off employee is qualified or can be qualified with a minimum amount of training. The senior qualified employee who bumps another employee shall be paid at the highest rate of the lower pay schedule but in no case shall such rate of pay exceed the employee's current rate. For the purposes of such layoff, job classification shall include Highway, Fleet Maintenance, Transfer Station, Water and Parks and Recreation. The parties agree that the Town will not subcontract work during such periods of layoff in the affected departments unless otherwise permitted under Article 6 of the contract.

Likewise, if there is a recall to work the Town shall recall laid off employees on the basis of seniority with the most senior employee within a job classification being recalled first.

SectionSix. Recall rights shall expire two years after an employee is laid off. Additionally, if an employee declines a recall opportunity, or fails to respond to a recall opportunity within five (5) days of mailing (certified or registered mail, return receipt requested) of the notice of the recall opportunity by the Town, the employee shall forfeit all recall rights.

ARTICLE 12

Job Descriptions

The Town shall have the right to create and revise job descriptions, subject to the Union's right to negotiate the impact, if any, of any change in a job description. Prior to creating or revising a job description, the Town will provide an opportunity for the Union to have input into the process. The Union has the right to request that the Town review and/or revise a job description.

ARTICLE 13

Job Reclassification

Section One. Any bargaining unit employee whose job duties have changed shall request a meeting with his immediate supervisor to discuss the changes and to present data, views, and arguments justifying a reclassification. His immediate supervisor shall schedule the meeting within 30 days.

Section Two. If, at the conclusion of the meeting with the immediate supervisor, the employee still believes that a reclassification is justified, the immediate supervisor shall request a meeting with the First Selectman and Director to discuss the changes and to present the data, views and arguments. This meeting will be scheduled within thirty (30) days and an answer will be given within 15 days of this meeting by the First Selectman.

Section Three. The First Selectman will judge the request on whether there was a change in job duties substantial enough to affect the compensation grade, if so the affected employee will be placed in the new job classification.

Section Four. In the event that a bargaining unit employee believes his/her job duties have been substantially changed, the Union shall have the right to invoke impact bargaining in accordance with the requirements of the law.

Section Five. Employees qualified for upgraded positions will be selected prior to new employees being hired.

ARTICLE 14

Service Rating

Section One. Each employee will be evaluated in the first week in April of each year by his/her supervisor. An overall unsatisfactory service rating will deny an employee his/her next annual increment. Only overall unsatisfactory service ratings shall be grievable. Each employee shall receive his/her service rating prior to the last work day in May. An overall unsatisfactory

service rating issued after the last work day in May shall not be allowed to deny an employee his/her next annual increment.

Section Two. The employee shall be given a copy of any service rating report which he/she is required to sign at the time of receipt. An employee's signature on such form shall not be construed to indicate agreement or approval of the rating by the employee. The current evaluation document is contained in Appendix B.

Section Three. Prior to revising the service rating form, the Town will provide an opportunity for the Union to have input into the process.

ARTICLE 15

Personnel Records

Section One. An employee covered hereunder shall, on his/her request, be permitted to examine and copy any and all materials in his/her personnel file. The Union may have access to any employee's records upon presentation of written authorization by the appropriate employee.

Section Two. No new negative or derogatory material shall be placed in an employee's personnel file unless the employee has had an opportunity to sign it (indicating receipt of such material). If the employee refuses to sign, a Union steward or Staff Representative shall sign the material (indicating receipt) and be provided a copy. A copy shall be given at the time of signing. At any time, an employee may file a written rebuttal to such materials. An employee may file a grievance objecting to any negative or derogatory material placed in his/her personnel file. However, such grievances will be arbitrable only if the employee suffers loss or prejudice, or if the material is disciplinary.

3. In the event of serious illness or injury to a member of the immediate family creating an emergency, provided that not more than five (5) days of paid sick leave per calendar year shall be granted with the approval of the supervisor.
4. Payment for any lost time from work due to an on-the-job injury for which the employee is not eligible for compensation under the Workers' Compensation Act.
5. An employee may use accumulated sick leave to make up the difference between workers' compensation payments and the employee's regular pay.

Section Three. If an employee is sick while on vacation leave, the time shall be charged against accrued sick leave if supported by a medical certificate filed with the supervisor. If employee attends a funeral during his/her vacation, such attendance will be charged to sick leave.

A holiday occurring when an employee is on sick leave shall be counted as a holiday and not charged as sick leave.

Whenever "days" are used in this article, it shall mean "working days."

Section Three. Time Limits. If a grievance in writing is not filed within fifteen (15) working days after the grievant knows or should have known of the act or conditions on which the grievance is based, then the grievance shall be considered to have been waived.

The time limits specified within this article except for the initial filing may be extended by mutual agreement of the Union and the Town or its designee in writing, provided that, if a grievance is not submitted to a higher step in the below procedure, it shall be deemed settled on the basis of the answer in the last step considered. Failure by an administrator or the Town to render his/her decision within the specified time limits shall be deemed to be a denial of the grievance and the grievance shall proceed to the next level.

Section Four. Step 1 - Immediate Supervisor. If an employee feels that he/she may have a grievance, the employee's Union steward or representative will first discuss the matter with his/her supervisor, in an effort to resolve the problem informally. If unable to do so, it may be submitted in writing to the Supervisor within fifteen (15) days after the above meeting with a copy to the supervisor's Director. The supervisor shall reply within fifteen (15) working days to the Steward with a copy to the Union.

Step 2 - First Selectman. If no satisfactory resolution arises, the grievance may be submitted within five (5) days to the First Selectman. The First Selectman shall meet with the grievant to discuss and answer the grievance within ten (10) working days.

Step 3 - Mediation. If the grievance is not resolved, the parties may, by mutual agreement, submit the matter to a mediator appointed by the State Board of Mediation and Arbitration for the purpose of helping to resolve the grievance within ten (10) days after receipt of Step 2 answer. A copy shall be sent to all parties.

In case of dismissal, suspension, demotion and class action or union grievance, the grievance shall be submitted directly to Step 2.

Step 4 - Arbitration. If a grievance is still not settled, it may be submitted, at the request of the Union, to arbitration. The submission of the grievance shall state the provisions of the contract allegedly violated and the remedy sought. Grievances shall be submitted in writing and must be filed with the American Arbitration Association no later than ten (10) days after the First Selectman's answer under Step 2, provided that in the event that the parties have agreed upon mediation, the grievance must be filed no later than ten (10) days after the mediation session.

The arbitrator's award shall be binding. The arbitrator's award shall include findings of fact and conclusions as necessary to support the award. The arbitrator shall be bound by and must comply with all the terms of this agreement and shall have no power to add to, subtract from or in any way modify the provisions of this agreement. The cost of arbitration shall be born equally by both parties.

How To Use The 3-Tier Managed Prescription Drug Program

The 3-Tier Managed Prescription Drug Program incorporates different levels of cost shares. An Annual Deductible must be satisfied prior to covered drugs being subject to tiered copayments, as defined in the chart above. The formulary lists generics and brand-name drugs that have been selected for their quality, safety and cost-effectiveness. These listed drugs have lower member copayments than non-listed drugs (but may not have a lower overall cost in all instances.) You minimize your copayments when you use generic prescriptions and listed brand-name prescriptions. You'll still have coverage for non-listed brand-name drugs, but at a higher cost share. **Talk to your provider** about using generic drugs or listed brand-name drugs included on the formulary. You'll have lower copayments when you use these drugs. Once your deductible is met:

- You will be responsible for **one** copayment when purchasing a **30-day supply** of prescription drugs from a participating retail pharmacy.
- You'll be responsible for **two** copayments when purchasing a **31-day to 90-day supply** of maintenance drugs through the mail-order program.

Generic Substitution: Prescriptions may be filled with the generic equivalent when available.

- When you purchase a generic drug at a participating pharmacy, you'll only be responsible for a \$5 copayment.
- When a generic equivalent is available and you obtain the brand name version, you will be responsible for the Tier 3 copayment *plus* the difference in cost between the generic and brand name drug. This provision applies unless your provider obtains **Prior Authorization**. When Prior Authorization is obtained (at the discretion of Anthem Blue Cross & Blue Shield), you will be responsible only for the Tier 3 copayment.

Connection (Concurrent Drug Utilization Review)

Connection works with the retail pharmacy's standard guidelines to provide a **second level of quality and safety checks**. The process, which is provided on-line as part of the electronic claims filing process, helps promote access to safe, appropriate, cost-effective medications for members. Connection involves a series of rules or guidelines, which identify potential medication therapy issues and deliver a message to the pharmacy by computer before the medication is dispensed. The process alerts the pharmacist of potential issues such as drug-to-drug interactions, refills requested too close together, incorrect dosing or drug duplications.

You must complete 85% of your prescription medication before you can obtain another refill at the pharmacy

Prior Authorization May be required on certain medication

Pharmacy Programs

Voluntary Mail-service Program

Members have access to Anthem Rx, the voluntary mail-service drug program for members who regularly take one or more types of maintenance drugs. Members can order up to a 90-day supply of these medications and have them delivered directly to their home. The \$100/\$300 deductible, \$5 generic/\$25 listed brand-name/\$40 non-listed brand-name copayment and Unlimited annual maximum apply. When ordering a 31-day to 90-day supply, after your deductible is met, two copayments will apply, as follows: \$10- generic/\$50 listed brand-name/\$80 non-listed brand.

Step Therapy is another element of C-DUR that consists of specialized programs that review pharmacy claims submitted for a member against his/her prescription profile and can be used to assist in controlling utilization and promoting quality, cost-effective drug therapies for patients. All therapy protocols developed by APM are reviewed and approved by the P&T Committee. The current drugs affected by step therapies are: Ambien CR, Arthrotec, Celebrex, Enbrel, elidel, Lunesta, Monopril, Penlac, Prilosec, Prevacid, Rozerem & Zegerid.

A step therapy is requiring drug X, Y, or Z prior to receiving drug A. Step therapy protocols are built in the claims processing system to search the member's history for the required drugs. If the claim history does not indicate the member has had drug X, Y, or Z; drug A will reject at the point of service pharmacy. The member, pharmacy or physician may contact Anthem Prescription Customer Service to clarify the claim rejection.

An Next Rx representative reviews the criteria with the caller. The caller is advised if the request is approved or more information is required.

If additional information is needed, the member, pharmacy, or Anthem Prescription may contact the physician. The physician may supply the additional information via telephone or fax.

An Next Rx support Specialist reviews the additional information and compares it to the step therapy protocol. The request will be approved and authorization entered into the pharmacy claim processor if the information matches the step therapy protocol. Criteria is not met if the information does not match the step therapy protocol. The caller is informed of the status of the request.

National Pharmacy Network

Members also have access to a network of more than 53,000 retail pharmacies throughout the country. Members may call 1-888-207-4214 to locate a participating pharmacy when traveling outside the state.

Non-participating Pharmacies

Members who fill prescriptions at a non-participating pharmacy are responsible for payment at the time the prescription is filled. Members must submit claims to Anthem Blue Cross and Blue Shield for reimbursement, and payment will be sent to the member. Members who use non-participating pharmacies will pay 20% of the in-network allowance, plus the difference between Anthem Blue Cross and Blue Shield's payment and the pharmacist's actual charge.

Points to Remember

- Anthem Blue Cross and Blue Shield will provide coverage for prescription drugs dispensed by a participating pharmacy when prescription drugs are deemed medically necessary based on specific criteria and dispensed pursuant to a prescription issued by a participating physician or by a non-participating physician, subject to deductible and copayment.
- Anthem Blue Cross and Blue Shield will not be liable for any injury, claim or judgment resulting from the dispensing of any drug covered by this plan. Anthem Blue Cross and Blue Shield will not provide benefits for any drug prescribed or dispensed in a manner contrary to normal medical practice.
- Anthem Blue Cross and Blue Shield reserves the right to apply quantity limits to specified drugs as listed on the formulary. If a member requires a greater supply, the member's provider can follow the prior authorization process.

Prescription Drug Eligibility

Eligible prescription drug benefits are limited to injectable insulin and those drugs, biologicals, and compounded prescriptions that are required to be dispensed only according to a written prescription, and included in the United States Pharmacopoeia, National Formulary, or Accepted Dental Remedies and New Drugs, and which, by law, are required to bear the legend: "Caution—Federal Law prohibits dispensing without a prescription" or which are specifically approved by the Plan.

Limits and Exclusions

Benefits are limited to no more than a 30-day supply for covered drugs purchased at a retail pharmacy, and no more than a 90-day supply for covered drugs purchased by mail order. All prescriptions are subject to the quantity limitations imposed by state and federal statutes.

This drug rider does not provide drugs dispensed by other than a licensed, retail pharmacy or our mail-order service; any drug not required for the treatment or prevention of illness or injury; vaccines or allergenic extracts; devices and appliances; needles and

SIDE-LETTER OF AGREEMENT

between

THE TOWN OF COLCHESTER (The Town)

and

MEUI, Local 506 (The Union)

This Agreement is to confirm the intent of the Town regarding administering disciplinary action for violations of the Town's Alcohol and Drug Testing Policy as discussed conceptually at negotiations for a successor collective bargaining agreement.

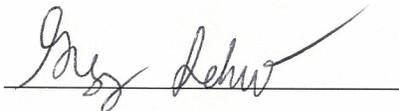

The Town does not intend to implement a zero-tolerance policy regarding violation of the Alcohol and Drug Testing Policy by first offenders whereby first offenders would be summarily discharged regardless of mitigating factors that may be considered on a case by case basis. Instead, the Town intends to consider mitigating factors on a case by case basis including but not limited to the first offender's length of service, overall attitude, performance history, disciplinary history, nature and degree of the offense in question, other misconduct while under the influence of drugs or alcohol, and damages resulting from the offense - potential or actual.

The Town does intend, however, to implement a zero-tolerance policy regarding second offenders whereby any such violators will be subject to immediate discharge for violations of the Alcohol and Drug Testing Policy subject to the Union's right to contest the action under the just cause provision of the collective bargaining agreement.

Agreed to and Approved by the undersigned.

MEMORANDUM OF AGREEMENT
BETWEEN THE
TOWN OF COLCHESTER
AND
MUNICIPAL EMPLOYEES UNION "INDEPENDENT"
LOCAL 506, SEIU, AFL-CIO, CLC
REPRESENTING TRANSFER STATION, PARKS & RECREATION,
HIGHWAY CREW, FLEET MAINTENANCE AND
WATER DEPARTMENT EMPLOYEES

While the Union Contract does define some aspects of the Overtime process, with regards to assignment and equalization of hours, there are some gaps that leave openings for interpretation and miscommunication.

In an effort to better spell out the policies and procedures, so that all stakeholders will have the same understanding, the following is a detailed process. This process is in accordance with the existing wording in the contract.

Out-of-Department Overtime List

No such sign-up list is necessary for overtime offered *within the department* as all department staff are considered eligible and available for overtime work within their department.

Each July 1, all departments within the union which offer overtime will post a sign-up list for three (3) weeks for any bargaining unit member outside the referenced department to sign if they wish to be considered for overtime offered by that department. This list must be posted by that department's time clock. In the case of the overtime opportunities of the Transfer Station, that list shall be posted by the Highway Department's time clock.

After the three (3) week sign-up period has concluded, if a bargaining unit member outside a particular department wishes to join the list, he or she may do so by sending written notification or e-mail to the department head who will add the bargaining unit member's name to the bottom of the "outside" list without seniority consideration.

Creation of List

Call lists for all departments within this union will be in a uniform format approved by the First Selectman.

Using the Department staff list and the outside department sign-up list, the Department Head will develop a worksheet that tracks overtime and establishes the staff next in line for overtime.

The Department staff list consists of staff within that department, sorted by seniority; the Outside Department list consists of staff outside the department, but within the bargaining unit, who have signed up identifying their desire to be considered for overtime. The Parks & Recreation Department will create an additional list for program-related overtime. **All** members of the bargaining unit may sign up on this list. These lists are also sorted by seniority.

Bargaining unit members that request addition to the list after the three-week sign-up period (including new hires) shall do so via written notification or email to the department head and will be added to the bottom of their appropriate list without consideration for seniority. An e-mail to the department head shall suffice for this purpose. These members will be referred to as "add-ons" and shall not be given seniority consideration for purposes of their placement on the list.

This list will be posted in the same location as the sign-up list. Additional requests to be added to the list will be approved upon written notification to the appropriate department head.

Assignment of Overtime

Consistent with the Bargaining Unit Agreement, when overtime becomes available, it will first be offered within the Department to those on the revolving list.

Employees will be called in per the attached "Exhibit 1. Call-in Order (Example Only)."

Should no one within the Department be interested/available, the qualified members outside the Department who are on the list developed for this purpose will be offered the OT in the same manner as the above.

It is understood that employees and activities covered under the Parks & Recreation Department programs activities auspices are not part of this bargaining unit and, consequently, are not subject to these requirements; however, should any members of this bargaining unit be called for programmatic over-time, the program-related call-in list for the Parks & Recreation Department will be utilized.

Red Time

Should any in-Department or outside Department member offered OT refuse the OT, they will be allotted "red time". Red time is equal to the number of hours actually worked by the member who actually does the OT.

"Add-ons" to the list will automatically receive red time equivalent to the individual on the respective list with the highest OT hours accrued to date, to ensure an equal starting point.

Members on the Outside Department list who are not eligible for the OT due to required certification, skills, experience will not accrue red time for those hours.

The goal of this process is to equalize OT hours within each list, so that ideally, by the end of the year, all members will have had relatively the same opportunities for OT.

Exceptions

In short notice and/or emergency situations, OT may be assigned as required at the discretion of the Department Head or First Selectman.

Posting of Accrued OT/Red Time

As nearly as possible/practical, this list will be updated with accrued OT and red time on a weekly basis and the updated list must be posted in its regular spot.

Any OT or red time accrued during the three-week sign-up period should follow these policies and procedures as closely as possible.

The Town shall post overtime records every two (2) weeks.

Exhibit 1. Call-In Order EXAMPLE ONLY

In-Department List

	12/13		12/26		01/3		01/6		01/19		02/1	
A	1	X	4	X	6	X	10	X	9	X	4	X
B	2	X	5	X	7	--	1	X	5	X	5	X
C	3	X	6	RT	8	--	2	--	2	X	6	X
D	4	X	7	--	1	--	3	--	1	X	7	X
E	5	RT	8	--	2	X	4	--	3	X	8	X
F	6	--	9	X	9	X	5	X	4	X	9	X
G	7	X	9	X	10	X	6	X	10	X	10	X
H	8	X			3	RT	7	RT	6	X	1	X
I			2	X	4	X	8	--	7	X	2	X
J			3	X	5	X	9	RT	8	X	3	X

Out-of-Department List

	12/13		12/26		01/3		01/6		01/19		02/1	
M					11	X	12	X	14	X	17	X
N					12	X	13	X			14	X
O					13	X	14	X			15	X
P					14	X			11	--	12	X
Q					15	X			12	RT	16	X
R							11	X	13	--	13	X

For purposes of this example all days are eight hour days.

- 12-13: Begin with most senior person on "In-Department" list; mark RT for red time and "--" for someone who is called and not reached.
- 12-26: Call the first person (Employee F) who was called but not reached during the previous call-out, then go to the next person after the last person previously called-out and reached and proceed in order.
- 01-03: Again, begin with the first person (Employee D) who was called but not reached during the previous call-out, call all other persons in that category or not called in the previous call-out (Employees E and H) in order, then go to the next person after the last person previously called-out and reached (Employee I) and proceed in order.
- 01-19: Because the purpose of this process is to fairly equalize over-time it is also important to track the number of overall time someone works and to utilize that criteria also when calling-in. This example occurs over three months, however every effort should be made to equalize OT on a monthly basis.
