- 1. CALL TO ORDER:** Chairman Tarlov called the meeting to order at 7:46 p.m.
- 2. ADDITIONS TO THE AGENDA:** M. Hayes motioned to move item 9b)BOE-Projected Budget Deficit to follow item 3, seconded by N. Negron. Vote was unanimous. **MOTION CARRIED.**
- 3. APPROVAL OF MINUTES: December 4, 2019, Regular Meeting:** A. Migliaccio motioned to approve the regular meeting minutes of December 4, 2019, seconded by A. Bisbikos. Vote was unanimous.
MOTION CARRIED.
**Tri-Board meeting minutes from December 4, 2019 had not been distributed to members and will need to be placed on the agenda and approved at the next meeting.
 - a. **BOE-Projected Budget Deficit:** Superintendent Burt said the BOE budget is currently \$100,000 over budget and a soft freeze has been implemented. The overage is primarily due to a higher level staff being hired than was planned as well as an additional Kindergarten teacher needing to be hired due to a higher than planned enrollment. Both Superintendent Burt and the CFO are confident that saving can be found in other areas to offset the deficit. An evaluation will be done again in March.
- 4. CITIZEN COMMENTS:** None
- 5. CORRESPONDENCE:** Two letters were received from Leslie Curtis and one from James McNair.
- 6. DEPARTMENT REPORTS**
 - a. **Tax Collector:** M. Wyatt presented her report for the month of December 2019. Tax bills were sent out on December 21st. Three people have caught up on behind taxes through a monthly plan.
 - b. **Finance Department:** M. Cosgrove reported collection rate is tracking slightly a percentage higher than last year at this time but February will give a better indication if actually better than last year. State funding used for roads is being held back until a long-term road transportation plan can be agreed upon. A. Bisbikos said there are communities that are passing resolutions and saying they want the money and asked about Colchester considering the same. On the expenditure side, the Assessor's expenditure line is over budget but that is temporary and due to turnovers and vacancies showing under that line. There are a few other departments as well where changeover has impacted the line item.
- 7. FIRST SELECTMAN**
 - a. **Transfer request:**
 - i. **Vision Government Software:** The current software is obsolete and needs to be updated. If it is not updated it could be problematic when doing the Grand List and revalue. A. Bisbikos motioned to approve the transfer of \$16,000 from account 11110-50900 (Contingency) to account 11304-44205 (Assessor - Data Processing) for the upgrade of Computer Assisted Mass Appraisal software, seconded by N. Negron. Vote was unanimous. **MOTION CARRIED.**

- b. **First Selectman's report:** M. Bylone reported that the First Selectman's office, along with Youth and Social Services and the Superintendent meet to make sure the citizens are aware of the resources available if they are struggling to cope with the recent news out of Celebration, Florida. The contract for the well pump was signed. One of the fire trucks has a crack in the frame structure. The cost to fix it is over \$100,000. The Town was able to borrow a truck from Clinton until a permanent solution is reached. Interviews for the Human Resource position have been completed. Two candidates will be recommended to be interviewed by the boards on January 23rd. Negotiations with the police and fire departments have begun. Eversource has stopped construction on Rte 354 and will begin again in April.

8. OLD BUSINESS

- a. **OpenGov - Update:** The company continues to not provide answers as to why OpenGov is not working. In the First Selectman's opinion, the company feels they have put adequate effort in but the Town still does not have a working product that they paid for. She was contacted by Clear Gov. She is wondering if the town needs to find a different company to provide the desired services. Chairman Tarlov agreed that there are components of the program we are paying for but that OpenGov has failed to meet their commitments in assisting Town personnel in implementing the Reporting and Activity Tracking module. Mike Egan said we have paid for the product and that we should determine what action is needed to force OpenGov to meet their commitments.

9. NEW BUSINESS

a. 2020-2021 BUDGET

- i. **Budget Calendar:** Members reviewed the budget calendar Chairman Tarlov provided.
- ii. **Budget Survey:** A. Migliaccio read through the questions for the budget survey. She will make changes as suggested by the board. The survey will go online Friday.

- b. **BOE-Projected Budget Deficit:** Moved to item 3a.

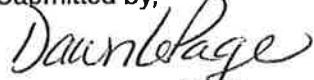

10. LIAISONS' REPORTS: A. Bisbikos - Parents covered everything in the Public Forum for Park & Rec.

R. Tarlov - Youth Services still needs members. They had 300 runners participate in the Resolution Run on New Year's Day and made \$4,000. They are working on strategic planning. The next Community Conversation is Screenagers. M. Hayes - The Fire Department is in dire need of volunteers. Vehicles are in need of serious repairs. M. Egan - The Senior Center Building Committee received four proposals from architects. Interviews will be done on February 4th. N. Negron - Planning and Zoning is discussing special permits for solar panels and medical marijuana emporiums. A. Migliaccio - Joanne Rose and Jessica Morozowich are new members of the BOE Budget Committee. Jessica is the interim Chair.

11. CITIZENS COMMENTS: None

12. ADJOURNMENT: A. Bisbikos motioned to adjourn, seconded by M. Hayes. Vote was unanimous. MOTION CARRIED. Chairman Tarlov motioned to adjourn at 9:32p.m.

Subject: comments about minutes

Rob,

I hope the board has a productive 2020. I have a few suggestions and comments.

Have the minutes be more consistent.

I know minutes are not expected to be a transcript. Also, some feel if needed listen to the audio. Yet, it seems if some areas offer details others should too if important to the voter. A case in point is recent minutes.

7. First Selectman

a. Transfer Requests

Senior Center request is not ready to come forward yet. Still fine tuning the RFQ. Will go to BOS first and then to the BOF, no earlier than the January 15, 2020 meeting.

- b. First Selectman's report – M. Bylone reported OpenGov meeting scheduled for Monday, December 10, 2019. Will discuss the functionality issues. Fire Department will be needing repairs to water pump on several trucks which did not pass recent inspection. Quote requested. Will likely need to transfer money to cover repairs.
- c. Clerk for BOF meetings – More difficult job than other meetings and position has been posted and unfilled for several months. BOF members have been providing the service but this is not felt to be a good solution as the member cannot participate in the meeting if they are busy taking minutes. Discussion among board members as to whether it could be part of someone's job responsibility. M Bylone and M Cosgrove will discuss possible solutions.

The comments about the Fire Department, Senior Center and clerk are detailed to give the public the backstories. Yet, the opengov comments about functionality does not. It seems that should have been given equal weight. For the record, I applaud past effort by some BOF member to drag getting this implemented over the finish line. Reading there are “still issues” is concerning.

A comment about discussing field maintenance in the budget.

We had a discussion in the past about somehow preserving legacy information for new members. It stops rehashing the past. In this case, I hope the following was conveyed. There was lengthy discussions about the problems and solutions. When I was on the BOF and attended Park and Rec commission meetings, we learned the source of the problem was the commission just wouldn't say no to parents. They allowed new sports and increased games well beyond the capabilities of the fields. There was a decision to assess increasing user fees to defray the costs for irrigation et. al. I'm not sure where this stands now.

Best regards,

James McNair

Subject: Re: Question for Possible Inclusion in the 2020 the Board of Finance Budget Survey

Thank you, Rob. It's good for them to have this in writing before the meeting.

I do not have a copy of the Cost of Community Services study, but it used to be accessible on the Town of Colchester's website. If I recall correctly, the bottom line of this study by Paula Stahl--using 2011 data from the Colchester Tax Assessor's office and the town's budget and crunched by her proprietary software--is this:

For every \$1.00 of property taxes paid by residential property owners as a group, \$1.14 was spent by the town to service the needs of this segment of the community.

For every \$1.00 of property taxes paid by both commercial property owners and the owners of open space and farmland, only 18 cents was spent on municipal services for the collective needs of both of these segments of our community.

Studies like this have been done all over the country and the differences in municipal spending invariably demonstrates that residential properties **always** cost more in community services than the taxes paid by this class of taxpayers and that is balanced out by the relative tax efficiencies of both the commercial and perceived open space and farmlands.

I forwarded your question yesterday to Mike Egan and Andrea Migliaccio who will be presenting the proposed survey questions to the Board tonight.

Do you have a copy of the Cost of Services study that was done a number of years ago?

Hi Rob,

Mary and I met last week to discuss possible ways that our town can work pro-actively to retain its rural character in the years to come by a plan to change what needs to be changed so that our municipal government can participate more strategically in funding open space and farmland preservation, including working in collaboration with charitable land conservation groups.

We agreed that a good first step would be to have the Board of Finance 2020 Survey include the following question that folks can rank on a scale of one to ten (or whatever scale is supported by the Survey Monkey software):

"How important to you is preserving the rural character of Colchester through open space and farmland preservation efforts?"

I plan to attend the meeting tomorrow evening to advocate for this question in person, but it would probably be a good idea to have all the Board of Finance budget survey sub-committee budget members

have a printed copy of this question in their meeting packets as an official basis for my advocacy of including it in the survey from the Colchester Land Trust point of view.

Please let me know if this is possible. And thanks for your encouragement that we have representation at this public meeting for a question of this sort.

Regards,
Leslie Curtis
