5. RESULTS OF RESIDENTIAL SURVEY

Chair Bordeaux reported that the Board of Selectmen did approve the Charge to this Committee at last week's meeting.

M. Mlodzinski contacted Russel Melmed, Executive Director of Chatham Health District. R. Melmed stated the Health District provides information for reopening businesses, etc. but did not do a survey and their expertise would not go along with what this Committee is looking for.

Chair Bordeaux has contacted Elizabeth Grim from the Connecticut Data Collaborative to discuss drafting a report to analyze the data obtained in the Residential Survey.

Chair Bordeaux was unsuccessful in contacting M. Caplet, Region 4 Coordinator for the Division of Emergency Management and Homeland Security to ask about the State Long-Term Recovery Committee.

It was decided to meet next week at 5:00 pm so M. Noehren will be able participate in the discussion of a report on the survey.

The survey results were to be put up on the Town website but after discussion it was decided that the raw data of the survey will not be put up, just the analysis in the report will be made public.
