6. DISCUSSION OF RECOVERY IMPLEMENTATION

Several ideas have been previously discussed including a restaurant week. Chair Bordeaux noted Jen Marozzi, owner of Fresca restaurant, has a marketing background and has offered to help with one

of the restaurant ideas for early December. D. Koji offered to begin an implementation plan worksheet beginning with what is considered the most urgent matters. The framework will include sections for the process, costs, resources, timeline, member responsibilities, etc. The framework should be ready for next week's meeting. It was decided that members should send ideas or information to M. Bordeaux to disseminate to other members. Next week the members may work in small groups to begin planning how these ideas can be executed and what resources may be needed.
