RE: Niantic Bay Group – Wall St, near “0 Rutka Lane” – Special Permit 2022-007
Application Review

The applicant has submitted an authorization for an extension of the public hearing until October 7, 2022. Revised plans were received on August 16, 2022 by the applicant’s engineer to address several outstanding comments from town staff. In order to provide staff time to adequately review the proposed plans, I recommend the commission accept this extension and continue the public hearing until October 7, 2022.
