Subject: Senior Center Project

Dear Senior Building Committee, Board of Selectmen, and Board of Finance,

I notice there are several options on the table for our new Senior Center. PLEASE, PLEASE, PLEASE do make a decision.

I am now a senior and would like to have this project completed before I am too elderly a person who is unable to partake in the many opportunities this new building will provide.

I ask you to agree to fully fund this project even if we must go back to the voters for the additional costs. As you know it will only cost more in the future.

Please move quickly.

Sincerely,
Roberta Avery
