

Tax Collector's Report for the Month of –AUGUST 2021

Collection Rate: % 55.28

Current Taxes Collected: \$3,113,702.85

Interest on Current Taxes Collected: \$21,868.71

Delinquent Taxes Collected: \$81,344.11

Interest on Delinquent Taxes Collected: \$18,525.10

Notes:

- Because we do not have an approved budget I figured the collection rate based on last year's mill rate just to give you an idea how collections are moving. This figure is slightly down from last year but this is due to the fact that we do not know what the total amount will be for real estate. There is a large number of people in town who would pay both installments at the same time. The following is a graph showing where the office stands as of noon September 1, 2021. Once you approve the budget supplementals and/or 2nd installment bills will need to be mailed.
