   CALL TO ORDER - Board of Selectmen
   First Selectman Andreas Bibiskos called this joint BOS Special Meeting to order at 5:35 pm.

2. CITIZENS’ COMMENTS
   Deanna Bouchard stated her support for the skate park and C3, and questioned the need for
   for more apparatus for the fire department and the catch basins for the fire department
   parking lot that could be done by town road crew. D. Bouchard also questioned the
   submission of the parking lot application as the deadline was earlier.

   First Selectman Bibiskos noted that the application had been submitted months before but
   was an updated cost estimate. Chair Koji also noted that there was not a deadline for
   municipal applications and the update had been requested due to fluctuations in prices.

3. MUNICIPAL DEPARTMENT HEAD ARPA APPLICATION INTERVIEWS
   3.a Tiffany Quinn – Parks & Recreation
      - Tennis Courts - $297500
      - Field Irrigation - $250794
      - Skate Park - $99000

      Director Quinn reviewed the application for a concrete based tennis court with a
      ten year warrantee vs the asphalt that has no warrantee and the price has increased
      significantly. The concrete is similar to that used in parking garages. The fencing
      will be reused. J. Faski said the price of asphalt has come down recently and he
      would like to see a comparison for the asphalt vs concrete including maintenance
      costs. T. Quinn will look into an additional quote for concrete and asphalt
      comparison with maintenance estimates.

      Selectman LaChappelle said if the schools are replacing their tennis courts perhaps
      a combination estimate or cost sharing for use of the park court should be looked
      into.

      T. Quinn and First Selectman Bibiskos had another meeting to attend and left at this time.
      The skate park and field irrigation will be on the next meeting agenda.
