A. **Purpose and Intent of the Tax Incentive**

The Colchester Tax Incentive Program ("the C-TIP") is intended to attract new businesses and commercial interests to Colchester and encourage existing businesses and interests to expand by offering partial relief from local property tax burdens.

The C-TIP was developed pursuant to a directive from the members of the Colchester Board of Selectmen, who have made economic development a priority for the Town.

The goals of the Colchester Tax Incentive Program are to:

- Encourage new job creation and expansion of existing businesses
- Attract forms of commercial development not currently offered
- Attract forms of development that expand opportunities and services
- Foster the development of start-up companies within the Town
- Grow the Town tax base and more equitably distribute tax burdens

B. **Qualifying Applicants**

Applications to C-TIP will be accepted from any individual, group or entity that pays or will pay real estate taxes in the Town, provided: (i) the applicant is not delinquent in the payment of any taxes or service charges to the Town; (ii) the proposal is consistent with the enabling legislation of Connecticut General Statutes Section 12-65b; and (iii) the applicant evidences a solid financial base and potential for growth.

C. **The Application and Approval Process**

Qualified applicants for tax incentives are required to present their application to the Town’s Economic Development Commission. The members of the Commission review each application and make a determination as to whether incentives are appropriate, based on certain criteria established annually by the Commission. If they determine that incentives are appropriate, Commission members will further consider the appropriate amount and duration for the incentive.

From this review by the Economic Development Commission, the application and recommended incentive package is sent to the Board of Selectmen. The Selectmen consider the recommendation and may adjust the package, as they deem appropriate. After the Selectmen's review, the package is brought before the
legislative body of the Town, (the Town Meeting), for approval. The Town Meeting is the sole decision-maker regarding the approval of the incentive package. The members of the Economic Development Commission and the Board of Selectmen simply develop recommendations for the package. Only those in attendance at the Town Meeting can actually award the incentives to the applicant.

D. **Criteria for Incentive Recommendations**

The Economic Development Commission will recommend tax incentives as allowed by state statute after considering the following criteria:

- Demonstrated need for the property tax incentive
- Potential for new job creation
- Providing a product, need or service to the local community
- Appropriateness of the use to its proposed location
- Possibility for the use to generate additional economic development
- Planned use by the business of other Colchester vendors
- Compatibility of the project with the environment and town resources
- Impact on the Town's infrastructure, including roads and utilities
- Net gain provided to the Town tax base overall
- Improvement or renovation to historic structures
- Repurpose existing structure

These are not exclusive criteria, and the members of the Commission may consider other issues when appropriate to do so. Each application presents a unique set of circumstances, and should those circumstances require the consideration of additional factors, the applicant should make the Commission so aware.

E. **Incentive for Developers of Commercial Real Estate**

In the event a developer, or other ownership-entity, of commercial real estate applies to C-TIP, the members of the Commission may award tax incentives to the developer, provided the developer covenants to pass through to tenants, on a prorated basis, the benefit of the incentive award. The Commission may award tax incentives to developers prior to full occupancy. Applications from developers will be reviewed subject to the same criteria as in Section “C” above.
