PREAMBLE

This Agreement entered into by and between the Town of Colchester, hereinafter referred to as the "Town" or the "Employer", and Local 3831, hereinafter referred to as the "Union" and has as its purpose the promotion of harmonious relations between the Town and the Union.

ARTICLE 1 - RECOGNITION

- 1.1 Pursuant to State Labor Relations Certification in Case Number ME-19,198, the Town recognizes the Union as the sole and exclusive bargaining agent in matters regarding wages, hours and other working conditions for all full-time paid uniformed and employees with the Town of Colchester pursuant to SBLR Decision No. 3536 rendered on September 30, 1997, with the exclusion of the Chief of the Fire Department and all others excluded by the Municipal Employees Relations Act (MERA).
- 1.2 Whenever the word "Town" is used in this Agreement, it shall mean the Town of Colchester. Likewise, when the word "Union" is used it shall mean the International Association of Firefighters, AFL-CIO. When the word "employee" is used it shall mean a member of the bargaining unit.

ARTICLE 2 - UNION SECURITY

- 2.1 During the terms of this Agreement or extension thereof, all employees in the collective bargaining unit shall, from the effective date of this Agreement or within thirty (30) days from the date of their employment by the Town as a condition of employment, either become or remain members of the Union in good standing or, in lieu of Union membership, pay to the Union a service fee. The amount of service fees shall not exceed the minimum applicable dues paid to the Union.
- 2.2 The Town agrees to deduct from the pay of bargaining unit members such membership dues, initiation fees, service fees, or reinstatement of service fees as may be fixed by the Union and allowed by law. Such deductions shall continue for the duration of the Agreement or any extension thereof.
- 2.3 New employees shall sign a payroll deduction card at the time of hire, effective the first payroll following the completion of thirty (30) days of employment. It is the responsibility of the Union President to have the card completed and transmit same to the Finance Department. The Financial Officer of the Union shall notify the Town in writing of the amount of uniform dues or service fees to be deducted.
- 2.4 Such payroll deductions, as provided herein, shall be remitted to the Union by the fifteenth (15th) day of the next month following the month in which such dues and/or services fees were deducted along with a list of names of the employees from whom the deductions were made.
- 2.5 The Union shall supply to the Town written notice at least thirty (30) days prior to the effective date of any changes in the rates of fees or dues. In addition, the Union shall furnish the Town with a statement signed by the employee authorizing the Town to make dues deduction(s). Service fees shall be deducted automatically by the Town.
- 2.6 No dues or fees will be deducted from an employee who has exhausted accumulated sick leave or while collecting Workers' Compensation.

- 2.7 Each employee will be offered an opportunity to join the Union or pay the agency/service fee. Upon receipt of a signed authorization form from the employee involved, a copy of which is attached to this Agreement as Appendix A, the Town shall deduct from the employee's pay, on a bi-weekly basis, in equal installments, Union dues or service fees as the Union shall determine. (See Appendix A).
- 2.8 The Union shall indemnify the Town and any Department or agent or employee of the Town and hold them harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of, any action taken by the Town or any Department or employee of the Town for the purpose of complying with the provisions of this Article. The Union will refund to the Town any amount paid to the Union in error on account of the dues deduction provision.
- 2.9 No employee covered by this agreement will engage in, induce or encourage a strike, work stoppage, slowdown, sick-out, unlawful picketing, sympathy strike, or other withholding of services from the Employer - including so-called work to rule - or refuse to perform in whole or in part duties of employment including overtime services.
- 2.10 The Union agrees that neither the Union nor any of its officers, agents or members, nor any officer covered by this Agreement, will call, institute, authorize, participate in or sanction any strike, work stoppage, slowdown, sick out, unlawful picketing, sympathy strike or other withholding of services, including so called work to rule, refusal to perform in whole or in part duties of employment, however established, and withholding of overtime services.
- 2.11 The Union agrees further that should any employee or group of employees covered by this Agreement engage in any such job action, the Union will forthwith disavow such activity, refuse to recognize any unlawful picket line established in connection therewith, and take all reasonable means to induce such employee or group of employees to terminate such job action.
- 2.12 The Town may file an action in the court of appropriate jurisdiction to enforce this Article.
- 2.13 The Town shall provide each present employee with a copy of the final Agreement. New employees shall receive a copy of the final Agreement upon hire. In addition, to ensure that the immediate supervisors are aware of the provisions of this Agreement, the Town shall also provide them with a copy of this agreement.

ARTICLE 3 - MANAGEMENT RIGHTS

- 3.1 There are no provisions in this Agreement that shall deem to limit or curtail the Town in any way in the exercise of the rights, powers, and authority which the Town has prior to the effective date of this Agreement unless and only to the extent that provisions of this Agreement specifically curtail or limit such rights, powers, and authority. The Union recognizes that the Town's rights, powers, and authority, include, but are not limited to, the right to manage its operation; the right to take necessary action to fulfill its objectives in emergencies; the right to assign, direct, select, decrease and increase the work force, including hiring, promotion, demotion, transfer, suspension, discharge, layoff; the right to make all plans and decisions on all matters involving its operations; the extent to which the facilities of any department thereof shall be operated; additions thereto; replacements; curtailments, or transfers thereof; removal of equipment; outside purchases of products or services, the scheduling of operations; means of operations; the equipment to be used; the institution of technological changes; the assignment of

overtime, and the right to introduce new and/or improved methods of operations and departments and to change existing methods of operations and departments; to maintain discipline and efficiency of employees; to prescribe rules to that effect; to establish and change standards of performance; determine the qualifications of employees; and to run the department efficiently. To the extent that the exercise of these rights impact on wages, hours and working conditions, the Town will be obligated to bargain pursuant to controlling State labor relations law.

ARTICLE 4 - SENIORITY

- 4.1 The seniority rights of all members of the Department shall be based on length of continuous service in the Department and shall be determined by the first day of paid employment.
- 4.2 Seniority shall not be broken by vacation, sick leave, job related injuries, authorized leaves of absence of a non-personal nature, suspension, or any military service as provided by State and Federal law, up to any limits provided for in this Agreement.
- 4.3 Employees who resign voluntarily, who are on layoff for eighteen (18) months or are discharged for just cause shall lose all seniority.
- 4.4 In the event of a reduction in the work force, layoff shall be the inverse order of hiring and any recall to work shall be by seniority provided that the recalled employee is qualified to perform the required work and that the employee has maintained required certifications held at the time of layoff.
- 4.5 No newly appointed employee shall attain seniority under the Agreement until he/she has been continuously employed in the Colchester Fire Department for a period of twelve (12) months and has completed all the required certifications necessary for full-time employment. A probationary Fire fighter may be terminated by the First Selectman and said employee shall not have recourse to the grievance and arbitration provisions of this Agreement regarding that termination. Upon successful completion of the twelve (12) month probationary period the employee's seniority shall date back to the first day of employment. This date shall be for all other dates listed in this Agreement, the employee's anniversary date.
- 4.6 During the first 90 calendar days of an employee's probation, the employee will accrue but not use vacation, sick leave, and personal leave. The employee will be eligible to use such leave after the 90-day waiting period. Medical, dental and life insurance coverage will commence upon completion of the first 90 calendar days of employment.
- 4.7 The Town shall prepare, maintain, and provide the Union Representative a list of employees on an annual basis, showing their seniority in time of service with the Fire Department. Such seniority shall be calculated according to length of continuous service with the Fire Department. Sick leave, line of duty injuries, vacations, military leaves, and authorized leaves of absences, shall be included in computing such time in service.
- 4.8 When more than one employee is appointed on the same day, seniority shall be determined by date and time of receipt of application, with the earliest received being ranked highest on the seniority list.

ARTICLE 5 - GRIEVANCE PROCEDURE

5.1 The purpose of the grievance procedure shall be to settle employee grievances on as low an administrative level as possible, so as to ensure efficiency and employee morale.

5.2 A basis of a grievance may result from a complaint concerning:

- a) Discharge, suspension, or other disciplinary action without just cause;
- b) Application or interpretation of a specific provision of this Agreement.
- c) Application or interpretation of the Rules and Regulations of the Colchester Fire Department.

5.3 A grievance shall be processed in the following three (3) steps:

Step 1:

The Union shall present the grievance, in writing and with discussion, to the Chief of the Department, or duly authorized representative in his/her absence within thirty (30) calendar days of the incident giving rise to the grievance. The written grievance attached at Appendix B shall specify:

- a) A statement of the grievance and the facts involved;
- b) the date of the alleged violation;
- c) the specific section or sections of the Agreement and/or Rules or Regulations of the Colchester Fire Department alleged violated; and
- d) the remedy or relief sought.

The Chief of the Department shall render his/her decision within ten (10) calendar days of the date the grievance was submitted.

Step 2:

If the Union is not satisfied with the decision of the Chief of the Department, or duly authorized representative in his/her absence, the grievance may be presented, in writing, to the First Selectman of the Town of Colchester within ten (10) calendar days of the Chiefs decision in Step 1. The First Selectman shall render his/her decision, in writing, to the aggrieved employee and his/her representative within fifteen (15) calendar days of receipt of the grievance.

Step 3:

If such grievance is not resolved to the satisfaction of the Union by the First Selectman, the Union may, no later than ten (10) days following the receipt of the decision at Step 2, submit such dispute to arbitration. Only the Union may submit a grievance to arbitration and it may do so by giving written notice to the Town of its intent to arbitrate the dispute.

5.4 The parties agree that unless either the Town or the Union objects, arbitration shall be conducted before the Connecticut Board of Mediation and Arbitration. Either party may require that an arbitration be

heard before the American Arbitration Association. If either the Town or the Union requires that a particular arbitration be heard by the American Arbitration Association, such party shall notify the other of this fact within ten (10) days of the Union's initial request for arbitration. If the American Arbitration Association is chosen as the forum, the cost of the arbitration shall be borne by the party selecting the American Arbitration Association. The arbitrator(s) shall hear the grievance under the applicable rules and regulations governing arbitrations by such forum and the decision shall be final and binding upon both parties. The arbitrator(s) shall have no authority to add to, subtract from, alter or modify this Agreement in any way and must comply with the terms of this Agreement in every respect.

5.5 The parties agree that the decision rendered by the arbitrator(s) shall be final and binding, provided it is not contrary to law. The arbitrator(s) shall be bound by and must comply with all of the terms of this Agreement and shall not have the power or authority to add to, subtract from, or, in any way, modify the provisions of this Agreement.

5.6 Additional Provisions.

- a) If either of the parties related to the grievance process desire to meet after Step 3 but prior to arbitration for the purpose of oral discussion and sharing of information including relevant documents, a meeting shall be requested and scheduled.
- b) If the grievance is not resolved, subsequent to arbitration both parties may mutually agree to submit the matter to a mediator appointed by the State Board of Mediation and Arbitration for the purpose of helping to resolve the grievance.
- c) For the purpose of time limits, day shall mean calendar days. Any time limit specified in this Article may be extended by mutual agreement of both parties in writing.
- d) If the employer fails to answer a grievance within the time specified, the grievance shall proceed to the next step. If the Union does not submit a grievance to the next higher step in the above procedure and within the time periods, it shall be deemed withdrawn.

ARTICLE 6 - DISCIPLINARY PROCEDURE

6.1 No employee who has completed the probationary period shall be disciplined except for just cause. Disciplinary action as used in this Article shall be defined as limited to oral reprimand, written reprimand, suspension, demotion, or discharge. Nothing in this Article shall prevent the Chief of the Department or the First Selectman from reassigning or placing an employee on administrative leave with pay pending an investigation.

6.2 Progressive Discipline.

The parties jointly recognize the remedial value of progressive disciplinary action. Accordingly, whenever appropriate, Management will follow these guidelines:

- a) Take prompt corrective action.
- b) Apply discipline with a view toward uniformity and consistency.

- c) In the area of inefficient or incompetent performance, oral reprimand and constructive criticism should ordinarily precede formal disciplinary procedures; however, no such warning is necessary with respect to neglect of duty, insubordination, willful misconduct or other serious offenses.

Nothing in this section shall prohibit Management from bypassing progressive discipline when the nature of the offense requires it. The failure of the employer to apply progressive discipline in any case shall not itself be deemed arbitrary, capricious, or discriminatory.

6.3 Work Now Grieve Later.

It is the duty of every employee to obey every lawful command or order issued orally or, in writing, and failure to do so may result in a breakdown in discipline which could lead to serious consequences. Orders must be obeyed, and grievance procedures invoked later.

Any employee who fails to carry out any lawful order or comply with rules, regulations, or instructions is subject to disciplinary action. Both parties recognize the safety rule exception to the "work now, grieve later" rule whereby an employee may refuse an assignment that would place an employee or others in real and imminent danger to life or limb.

6.4 Notice of Discipline.

- a) Pre-discipline hearing. There shall be an informal hearing before that body or person who will be imposing discipline beyond verbal or written warnings. The employee shall have the choice of union representation and shall be allowed to submit notarized statements from witnesses.
- b) After a Management decision is made to impose discipline, but prior to its formal imposition, management will notify the employee and the Union of the contemplated discipline.

6.5 Investigative Interviews.

- a) During an investigative interview, the employee has the right to request and receive Union representation under Weingarten. Employees ordered to answer questions shall be given the Garrity warning and receive a copy of the signed Garrity statement. (See Appendix C). An employee who answers questions under Garrity is immune from having his answers used for any criminal proceeding.
- b) No recording nor transcript will be made without the knowledge of all participants in the investigative interview.
- c) A written explanatory may be used in lieu of an investigative interview subject to the employee's right to confer with his/her Union representative. A reasonable amount of time shall be provided to the employee in which to perfect and submit a written explanatory.

6.6 Authorization and Level of Discipline.

- a) Chief of the Department may impose the following discipline.
 - 1) Oral reprimands.
 - 2) Written reprimands.

- 3) Suspension (3 days Maximum)
- b) First Selectman or his or her designee may impose the following discipline.
 - (1) Oral reprimands.
 - (2) Written reprimands
 - (3) Suspensions (greater than 3 days)
 - (4) Demotion
 - (5) Dismissal

6.7 Whenever it becomes necessary to discipline an employee or apprise an employee of his/her shortcomings, the supervisor vested with that responsibility shall undertake such talks in a manner that will not cause embarrassment to the employee.

ARTICLE 7 - HOURS OF WORK & WORK SCHEDULE

7.1 Work Hours/Work Period.

- a) Employees shall be regularly scheduled to work forty (40) hours per week, subject to the operating needs of the Town.
- b) Current work schedules of employees (and times when employees are regularly subject to call in) shall continue in effect, unless the needs of the Town change, in which case the Town will notify and, upon request, meet with the Union before implementing any change in regularly scheduled hours. The Town agrees to bargain over the impact of any changes it makes to employee(s) work schedules. As agreed in the MOA dated October 1, 2020, the scheduling of the firefighter/EMT full time staff will be done as denoted in Appendix F.
- c) Each employee holding the hourly paid position of Fire fighters/EMT will be paid at the applicable hourly rate of pay for all scheduled hours worked and shall be paid at the rate of one and one-half (1½) times such rate for all hours worked in excess of fifty-three (53) hours in a seven (7) day work cycle in accordance with Section 207k of the FLSA.
- d) Whenever employees holding the hourly paid position of Fire fighters/EMT are called into work early or held over on their scheduled shifts or are called back into work due to a "third tone ambulance call", or called back to duty, the employees shall be paid at the rate of one and one-half (1 ½) times their regular hourly rate of pay. "Third tone" or call back to duty on Sunday shall be paid at double time
- e) Hourly paid Fire fighters/EMTs shall not be authorized or permitted to work other than as scheduled, assigned or called back to duty by the Chief of the Department or his/her designee. Such employees shall no longer be permitted to hold positions within the volunteer service; nor shall they be eligible to receive other compensation or benefits other than as expressly set forth in this Agreement.
- t) The Lieutenant/Shift Supervisor/Health & Safety Officer position shall be paid on a salary basis, at the rates set forth in Appendix E, which salary shall constitute full pay for all hours

worked up to fifty-three (53) hours each work week, except that the salaried Lieutenant/Shift Supervisor/Health & Safety Officer position shall also receive extra compensation under the terms set forth in 7.1(g). Such employees shall not receive other compensation or benefits other than as expressly set forth in this Agreement. The Lieutenant/Shift Supervisor/Health & Safety Officer may, if appointed by the Town, hold officer-level positions within the volunteer service.

- g) Whenever employees holding the salaried position of Lieutenant/Shift Supervisor/Health & Safety Officer in the bargaining unit are called into work early; held over on their scheduled shifts; called back into work due to a "third tone ambulance call"; or called back to duty, said employees shall be paid at the rate of one and one-half (1 ½) times the regular hourly rate of pay for a top step Fire fighter/EMT. "Third tone" or call back to duty on Sunday shall be paid at double-time of a top step Fire fighter/EMT.
- h) The Deputy Chief position shall be paid on a salary basis with a minimum of forty (40) hours per week, at the rates set forth in Appendix E, which salary shall constitute full pay for all hours worked. Employees in the Deputy Chief position shall not receive other compensation or benefits other than as expressly set forth in this Agreement.

7.2 Call-in Pay.

When an employee is required to report to duty as a result of a call-in, he or she shall be paid a minimum of two (2) hours if the work performed is not contiguous with the employee's normal hours of work.

7.3 Exchange of Shifts.

- a) Employees may exchange shifts if:
 - (1) there is no additional cost to the Town of Colchester;
 - (2) the exchange is made with an employee with required certifications, training, and skills;
 - (3) shift periods do not overlap, and;
 - (4) the Chief of the Department is given reasonable notice - normally in excess of twenty-four (24) hours, and approves the shift change.
- b) The employee requesting the swap must complete a "Shift Change Form".
- c) The Town of Colchester is not responsible for enforcing agreements made between employees.
- d) Approval of shift changes is subject to revocation as dictated by the needs of the Colchester Fire Department.

7.4 Probationary employee's scheduling shall be at the discretion of the Chief of the Department or his or her designee.

7.5 Overtime Opportunity.

- 1. With the Exception of call-in for duty under Article 7, Section 2, in the event that work is required of the bargaining unit outside normal hours of work, the parties agree to the following Open shifts will be

offered to qualified Union members first. If the shift remains unfilled, it may be filled with per diem staff or volunteers

2. The Town continues to have the right to use qualified salaried employees who chose to report for duty without expectation or receipt of additional compensation beyond their salary payment up to a maximum of fifty-three (53) hours of work each work week.
3. The parties expressly acknowledge and agree that this Memorandum of Agreement constitutes their entire agreement and that any mutually agreed amendment, modification or any other change in this Agreement must be in writing.
4. Except as otherwise provided herein, this Agreement shall not establish any precedent or practice in any way relating to any present or future bargaining unit employee and shall not otherwise prejudice the respective positions of the parties concerning this or any other matter. Furthermore, this Agreement shall not be used in any other proceeding or action, including contract negotiations or interest arbitration, between the parties except one to enforce this Agreement. (Adopted as MOU on October 1, 2020)

If the Town fails to offer the qualified employee who is at the top of the rotation list the opportunity to work such assignment, the employee shall be afforded preference for the next available assignment outside the normal hours of work he or she is qualified to perform.

This provision shall not deter or diminish the Town's right to use volunteers or salaried employees who chose to report for duty without expectation or receipt of additional compensation beyond their salary payment up to a maximum of fifty-three (53) hours of work each work week.

ARTICLE 9 - INJURY LEAVE

9.1 An employee who is on authorized leave of absence due to injuries or other disabilities sustained in the performance of his/her work who is eligible for weekly Workers' compensation payments, shall have the option of using accrued sick leave and earned vacation to fund the difference between the employee's base weekly pay and weekly Workers' Compensation benefits. Such differential will be paid to the nearest whole hour increment. Differential pay shall end upon exhaustion of all the employee's accrued sick leave and earned vacation.

9.2 In the event that an employee is injured or disabled while en-route to, at, or returning to the employee's

abode from an alarm to which the employee responded off duty, or in the event that the employee was killed or dies as a result of such injury or disability, it shall be considered for the purposes of claims under Section 9.1 of this contract, and benefits payable under the Workers' Compensation Act provided that such injury, disability or death was suffered in the line of duty and arose out of and within the course and scope of his/her employment.

- 9.3 Employees on Worker's Compensation, Heart and Hypertension, or long-term disability, proven to have conducted themselves contrary to their physician's diagnosis and treatment shall be discharged.

ARTICLE 10 - INSURANCE

10.1 Medical, Dental and Life Insurance Benefits

Effective July 1, 2018, all eligible bargaining unit employees may elect single, two-person, or family coverage under the Town's High Deductible Health Plan ("HDHP") with deductibles of Two Thousand Dollars (\$2,000) for single and Four Thousand Dollars (\$4,000) for two person and family coverage. In and out of network benefits share the same deductible. For out of network services the member will have an additional responsibility for twenty percent (20%) of the cost of services after the deductible until the cost share maximum ("CSM") reaches Four Thousand Dollars (\$4,000) single (includes deductible) and Eight Thousand Dollars (\$8,000) two person and family coverage (includes deductible). The CSM also includes prescription co-pays after the deductible is satisfied in the amount of \$10 generic/\$25 formulary/\$40 non-formulary.

For the plan year commencing on July 1, 2021, the Town shall fund forty-five percent (45%) of the deductible costs through quarterly proportionate installments (on the first payrolls in , October , January and April) to a Health Savings Account ("HSA") for each eligible employee electing benefits.

Employees who are not eligible for an HSA can participate in a Health Reimbursement Account (HRA) with the Town providing the same contributions towards reimbursement as in the HSA. HRA contributions shall be accessible from the commencement of the plan year.

Effective July 1, 2021, employees who elect benefits under the HDHP shall contribute twenty percent (20%) of the premium cost for said insurance for themselves and their dependents by way of bi-weekly payroll deductions. Medical contribution credits equaling one percent (1%) of the applicable premium rates will be applied through employee payroll deductions if the employee is fully compliant with the Town's Wellness Program. The Town's Wellness Program requires employees to do the following in order to qualify for the medical contribution credit:

1. Have their physician complete a preventative health attestation form indicating each employee/dependent is current for age-appropriate screenings:
 - Physical exam
 - Breast cancer screening
 - Colon cancerscreening
 - Cervical cancer screening

2. Have their physician provide them with biometrical results including:
 - LDL HDL, total cholesterol, blood glucose, height, weight, body mass index, waist circumference, blood pressure and pulse.
3. Complete an online health risk assessment, including biometrical results.

Any insurance premium cost sharing contributions made by employees pursuant to this Article shall be made on a pre-tax basis pursuant to the Town's Section 125 plan.

The Town will pay the full cost, of the employee's group life insurance. Said insurance shall be in the amount of \$100,000.

10.2 Nothing herein shall be interpreted to prevent the Town from obtaining comparable medical, dental or prescription drug benefit coverage from alternative carriers, including those with preferred provider networks, or through self-insurance, so long as there is no interruption in coverage. If the Town proposes a change, it shall give written notice to the Union. The Union may challenge the proposed change in insurance carriers/administrators on the basis that the coverage to be provided is not comparable to the existing coverage. The Union's challenge must be filed in writing within sixty (60) calendar days from notice of the proposed change and must specify the areas in which the Union claims that the proposed plan is not comparable to the current one. The Town and Union shall meet to discuss the Union's concerns, which discussions shall be concluded no later than thirty (30) calendar days following receipt of the Union's notice of challenge. If a dispute remains, it shall be submitted to the State Board of Mediation and Arbitration pursuant to the contractual grievance procedure under Article 5. Notwithstanding the above, if at any point the total cost of the Town's group health plan(s) offered under this Agreement triggers an excise tax under Internal Revenue Code Section 49801 or any other local, state or federal regulation, the Town reserves the right to replace the current group health plan offered with an alternative one, the cost of which falls below the excise tax threshold or reduce the excise tax liability, regardless of whether such replacement plan(s) is comparable to the one previously in effect. Eligible employees will be given the option to enroll in the lower cost coverage option. If employees choose to enroll themselves and/or their eligible family members in a coverage option that triggers an excise tax, or which has a higher excise tax than the other plan offering, then one hundred percent (100%) of the extra cost associated with participating in the higher cost plan, including the cost of such excise tax, shall be born solely by the employee in addition to the employee's premium contribution requirements as set forth above. At least ninety (90) days prior to implementing any new benefit plan(s) the Town will meet and discuss the plans(s) terms with the Union.

- 10.3 As set forth more fully in the long term disability plan design a copy of which will be available to all employees, an employee who is disabled due to an accident or sickness which is not compensable under the Worker's Compensation Act, including Heart and Hypertension benefits, and who has exhausted all of his/her paid leave benefits shall be eligible for weekly accident/sickness disability insurance payments up to 60% of his/her base rate at the time of disability to a maximum of \$2,000 per month. These benefits will be offset by worker's compensation benefits (including Heart and Hypertension benefits), retirement benefits, and other state or federal mandated benefits the employee receives.
