The purpose of this Administrative Order is to establish a standard procedure of application, evaluation and permitting of special events in town-owned and operated park and recreation facilities, in an effort to:

- Ensure events remain for public park purposes only;
- Provide broad public benefit;
- Respect park capacity, infrastructure and adopted general plan;
- Ensure compatibility and sympathy with surrounding land uses as well as natural, cultural and historic park resources;
- Meet the conditions of the Codes of the Town of Colchester, and,
- Minimizes negative impacts to the health, welfare and safety of the public.

**SECTION I - SPECIAL EVENTS CLASSIFICATIONS:**

Special events shall be classified according to their size by both the required staging area and number of people attending; their duration; and, their infrastructure support requirements (tents, parking, roads, restrooms). The achievement of any one of the higher criteria shall qualify an event for the higher classification. For instance, if an event lasts for only two days but 7,000 people are expected to attend each day, the event shall be classified as a Class "D" event.

**Class A** - 1 Day or up to 250 total attendance, with minimal parking and infrastructure requirements, and compatible with public use of park sites.

**Class B** – 2-3 Days, or up to 500 total attendance, with moderate parking and infrastructure requirements and compatible with public use of parks and sites.

**Class C** – 4-6 Days, or up to 1,000 total attendance per day, with moderate parking and infrastructure requirements or limits on public use of park site.

**Class D** - 7 or more days, or 3,000+ total attendance per day, with heavy parking and infrastructure requirements or restrictions on public use of park site.

The Town of Colchester reserves the right to adjust or waive the limits of classification and/or duration as deemed in best interest of the town.

SECTION IV - EVALUATION CRITERIA FOR APPROVAL:

Priority will be given to pre-established, annual events. Not-for-profit organizations will be given priority over events or festivals which generate profit for the private sector. If the conditions have been satisfied to allow an event sponsored by a for-profit enterprise, the event organizer must provide evidence that:

- The event constitutes a community service;
- It is in the best interests of the general health, safety and welfare of both the participants and citizens of Colchester;
- There is little to no impact on and/or cost for town support services; and,
- The frequency and uniqueness of the event does not conflict with or replicate an already-existing festival or event.

If an event proposed by a for-profit corporation does not meet the established criteria, the application will be denied.

The event organizer will be notified within 14 days of receipt of its application whether the application has been approved for a Special Events Permit.

- The Parks & Recreation Facilities Subcommittee will forward its recommendation through the appropriate personnel to the Department Director for final approval.
- Once an application to host a special event is submitted to the Department, the Parks & Recreation Director, or designee, will provide the initial review for fulfillment of base criteria and guidelines, as well as any conflict with existing events.

Board of Selectmen Approval, May 2013
All applications will be subject to the following evaluative criteria, as reviewed by the Facilities Subcommittee of the Parks & Recreation Commission:

- Classification of the event and its compatibility to the proposed park site’s classification
- Appropriateness of event to public park purpose
- Performance History of event and event organizer (if applicable)
- Impact on park property and surrounding natural and cultural resources
- Impact on traffic conditions
- Ability to comply with all local permitting requirements
- Availability of town support services, such as parks grounds maintenance crews
- Impact on adjacent land uses and neighborhoods
- Duplication of existing town-permitted event
- Enhancement to tourism, economic development and quality of life
- Ability to generate positive local, regional or national media exposure
- Ability to generate revenues for the Department

The next step will be review and approval by all applicable Town departments, including:

- Board of Selectmen
- Police Department
- Building Official
- Fire Marshal
- Public Works
- Health Department
- Parks & Recreation

Once all departmental approvals are received, the Parks & Recreation Department will issue the official permit.

The Town is under no obligation to issue special events permits for use of its parks and recreation facilities. If an event is found to be incompatible with a proposed site’s classification, a more appropriate park site may be suggested to the event organizer. An application will be denied if an event is found to:

- Be inappropriate to public park purpose.
- Exert adverse impact on a park and/or its surrounding infrastructure, natural or cultural resources.
- Exert significantly adverse impacts on the traffic conditions and/or adjacent land uses and neighborhoods.
- Have a history of poor performance in town parks.

Board of Selectmen Approval, May 2013
At the Department’s discretion, an application can be denied if a special event is found to replicate other events or to diminish the uniqueness of already established community celebrations.
