

## **WELCOME**

The Colchester Choir & Orchestra is open to all music lovers and is a Parks and Recreation program offered through the Town of Colchester, Connecticut. Started by conductor John Ringo and his wife Cheryl, our first season was 2001-2002, and we have members from towns all over Connecticut. With members ranging in age from 10 to 70, from students to professional music teachers, the CCO is a true community group!

We perform a wide variety of music, from classical pieces such as Mozart's Marriage of Figaro, to Pops pieces such as Harry Potter, present day show stopping hits from Phantom of the Opera, and much more.
