3 December 2022

The observance of the International Day of Persons with Disabilities (IDPD) on December 3 was proclaimed in 1992 by the United Nations General Assembly resolution 47/3. The observance of the Day aims to promote an understanding of disability issues and mobilize support for the dignity, rights, and well-being of persons with disabilities. The 2022 theme is innovation and transformative solutions for inclusive development. Check out the United Nations website for detailed information about inclusive development.
